

Exceptional Children Conference 2026

**FRIDAY,
OCTOBER 30, 2026
9:00 AM - 4:30 PM**

**CENTRAL PENN COLLEGE,
SUMMERDALE**

Each year, PBI's **Exceptional Children Conference**, presented in cooperation with the PBA Legal Services for Exceptional Children Committee, brings together professionals and advocates dedicated to protecting the educational rights of children with disabilities. Recognized as one of the region's leading conferences in special education law and advocacy, the ECC provides timely education, practical guidance, and meaningful collaboration among attorneys, hearing officers, educators, school administrators, advocates, and families.

Sponsoring the Conference aligns your organization with a shared commitment to advancing educational rights and supporting the professionals who serve this important community. Our sponsors play a vital role in making this exceptional educational experience possible while increasing their visibility among a highly engaged audience and reinforcing their reputation as trusted partners in the field.

BE A FOUNDING SPONSOR

We're excited to launch the Exceptional Children Conference's first-ever sponsorship and exhibitor program. As a first-year sponsor, your organization will be recognized as an inaugural supporter of the Exceptional Children Conference Sponsorship Program, helping establish a new tradition of partnership that strengthens special education law and advocacy in Pennsylvania. As we introduce this new opportunity, we're offering exhibit space at an exceptionally affordable rate, making it easy for organizations of all sizes to connect with attendees while supporting an important educational program.
